

瑞士, 佳丽宝圣桑SPA/Curiosity

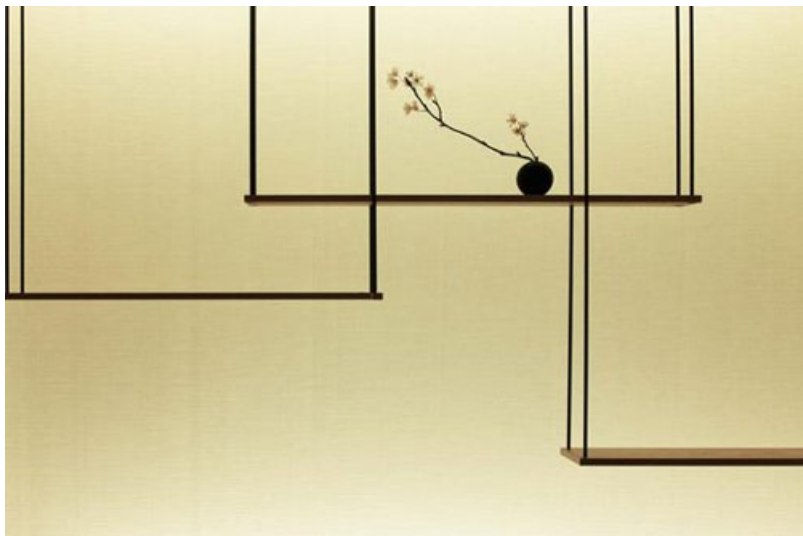

日本Curiosity为化妆品佳丽宝公司设计第一个位于瑞士某5星级酒店的“佳丽宝圣桑SPA馆”。

空间设计基于小石丸丝绸（佳丽宝旗下核心产品）柔软光滑的内衬。层次分明的柔和而暗淡的光线划分出室内外空间来。会馆中间的休息厅被设计成一个“茧”，像个被温润光线环抱的恬静绿洲。

japanese firm curiosity has designed the first 'kanebo sensai select spa' located in a 5 star hotel, in switzerland, for cosmetic company kanebo.

the design of the space is based on the lining of floating layers of koishimaru silk, a core value of the 'sensai' brand. the soft glow of light gently removes the

outside world,
layer by layer, to transform the mind and body. the waiting room in the center of
the space
is designed as a 'cocoon', an oasis of tranquility surrounded by serene light.
