

## 德国，Offenburg会议中心/Hetzel & Ortholf.

建筑摄影师Roland Halbe给我们送来了德国，Offenburg会议中心的照片，它由Freiburg建筑师事务所的Hetzel & Ortholf设计。

该项目的名称是Stadthalle Offenburg，该项目把一个1960年前后的仓库改为礼堂，并加上玻璃前厅。

玻璃盒子门厅的屋顶采用倾斜的柱子。

Architectural photographer Roland Halbe has sent us his photographs of a conference centre in Offenburg, Germany, designed by Freiburg architects Hetzel & Ortholf.

Called Stadthalle Offenburg, the project involved converting a 1960s warehouse to house the new auditorium and adding a glazed foyer.

The roof of the foyer overhangs the glass walls, supported by angled columns.
